

On behalf of the Wisconsin State Patrol, Superintendent Stephen Fitzgerald regretfully announces the tragic death of Trooper Trevor Casper.

Trooper Casper attended Lakeshore Technical College, graduating in May, 2014 with a degree in Criminal Justice; while attending LTC, he was active in the Color Guard. Trooper Casper fulfilled his dream by continuing his education at the State Patrol Academy in July, graduating on December 19, 2014. Upon Trevor's completion, he was stationed at the State Patrol Post in Fond du Lac. At the age of only 21, Trooper Casper's time with us was short, but his service will forever be appreciated. Trooper Casper is gone, but not forgotten.

Funeral services for Trooper Trevor Casper will be held on Sunday, March 29, 2015, at the Kiel High School (210 Raider Heights), Kiel, WI. Visitation will be from 12 p.m. to 5 p.m. with a funeral service to follow. There will be no squad procession.

A private graveside committal will be held for the Casper family and members of the Wisconsin State Patrol only on Monday, March 30, 2015.
